

LOON

Floor lamp L

Design by **Sebastian Herkner** | Item code: **10103000 (230V) / 101050000 (120V)** | Weight **6,3 kg/14 lbs** | Volume **0,27 m³/10 cu ft**

Measurements

Collection: A balloon-like reservoir of light, suspended on a pedestal of premium teak, LOON by Sebastian Herkner brings indoor sophistication and personality to outdoor lighting. A natural companion to Herkner's award-winning MBRACE collection, LOON has been designed to complement the entire DEDON range. It casts a warm, ambient light that's ideal for creating atmosphere in the garden.

Floor lamp L: Fully suited for outdoor use, this large rechargeable LED floor lamp, which consists of a teak base and a bulbous body in matte white plastic, casts a warm, ambient light.

Frame: LOON consists of rotomolded polyethylene and a premium teak base.

Finishing: Natural-finish teak maintenance → Wash the teak using warm water and a soft sponge.

Energy efficiency

Energy efficiency eec A+. These luminaires contain built-in LED lamps. The lamps cannot be changed in the luminaires.

Certificates

CE, FCC, PSE, SAA, ETL

IP64

This lighting object is a decorative element for outdoor and indoor use and features a warm white correlated color temperature (2700 Kelvin). It has an ingress protection marking for LED Module by IP64, which means it is dustproof, splash proof and therefore fully suitable for outdoor use.
